<i>DESCRIPTION</i>	<i>USE</i>
SHARP, rich and distinctive version of its larger Italian parent, though slightly saltier.	USE grated or sliced
FULL bodied blue with a honeyed, slightly nutty quality & great aftertaste. It is a rindless cheese, matured in wax, which helps it retain moisture & creates a smooth & creamy texture.	Try pairing it with a Shiraz & a currant walnut baguette.
DEVELOPED by the famous trappist monks at Chimay Brewery, this cellar-aged, washed rind cheese is pungent but pleasing in flavor and aroma enhanced by beer washing during the curing period.	PAIR with Chimay Beer and a crusty bread.
MADE by hand from a mix of sheep's & goat's milk this cheese is a soft, springy, oval-shaped curd that resembles a fresh mozzarella and has a mild yet tangy flavor.	CAN be grilled (does not melt), grated, marinated, fried or eaten plain.
SOFT, buttery color interior with mild flavor that deepens with age & creamy texture that becomes lush with time.	DESSERT w/fruit, snack or appetizer
MILD & creamy. White with distinctive blue veins & salty taste.	SPREAD, crumble or dice
UNEVEN holes & smooth creamy texture. Pale yellow to almost white. Very mild. Often flavored with herbs.	SHREDDED or sliced, but melts better shredded
CROSS between blue cheese & brie it is a creamy blue-veined cheese.	GREAT dessert cheese
PALE yellow with small irregular holes. Young Havarti has a mild yet tangy flavor, as the cheese ages, its flavor intensifies & sharpens.	GOOD on bread or as a melting cheese
BLUEBERRIES blended into white stilton produce a mild cheese with a tangy flavor.	DESSERT with fruit or snack

# IONS

<i>DESCRIPTION</i>	<i>USE</i>
GREATNESS from Pidemonte Italy. This Robiolla style cheese, made from Cow's and Sheep's milk, is mildly pungent with a barnyardy quality to the flavor.	EXCELLENT table & snack cheese
WHITE interior with a creamy texture & an unusual but mild flavor with a light acidity & a hint of hazelnuts.	MELTS smoothly but also good as an appetizer
CREAMY, flavorful and consistent. Dolce means sweet, so this blue (the striations are actually green) is not as strong.	ATOP short pasta or pizza, with figs and sweet wines.
GORGEOUS, creamy and full-flavored with a smooth but lingering finish. It has a rustic natural rind that accrues mold: the yellow is a sign of a healthy cheese.	FLAVORFUL table cheese
ESSENTIALLY a buffalo milk Taleggio, it has a soft, ivory pink rind with a deliciously creamy paste. The flavor is rich and slightly sweet.	WONDERFUL addition to any cheese board.
THIS Toscano is produced in the Val D'Orcia (Siena) under strict supervision of the Consortium of Pecorino Toscano. It is aged about 6 months & has a firm texture, a rich & nutty flavor, with a lingering finish hinting of butterscotch.	GOOD grating cheese
CLOSED, clean, engraved rind is yellow to brownish-beige. Firm, compact interior is closed with few small air pockets unevenly spread. Ivory to pale yellow color. Well-developed but not too strong taste. Buttery & slightly piquant with sheep's milk aftertaste.	USE as appetizer or shredded for cooking

SQUARE with rounded edges. Smooth, closed rind is oily & yellow or slightly orange due to treatment with paprika. Compact interior with different size holes.	USUALLY served as an appetizer.
DENSE deep blue veining, buttery texture & heady aromas & flavors. Spicy, piquant, sweet undertone. Persistent finish.	GOES well with crisp bread & especially pears.
SIMILAR to Manchego in texture & appearance but the flavor is rich & buttery with characteristics of all three milks.	GOES well with fruits & Spanish red wines.
TRADITIONAL farm-house sheep's milk cheese, noticeably nuttier and richer than its Spanish cousin, Manchego. Made exclusively from milk taken from the Churra ewes, which yield the creamiest milk of any breed of sheep, giving Zamorano a wonderful, smooth texture	STANDS well alone with crackers and deep red wines.
